Dear Dr. ~~Johnson~~: Charles

You have been concerned about lack of access to your clinic for several years and we have attempted to solve the problem before without success. I think the proposal contained in the enclosed letter should work. Also enclosed are copies of a letter from Councilman Stephens and our letter of response.

I sincerely hope that this proposal meets with your approval and that you will call me or Colleen Carnevale of my staff at 531-5862 if you have any questions at all regarding this issue.

Sincerely,

Leon
