Dear Mr. Czysz:

Thank you for your letter regarding the fee structures in the Department of Planning and Land Use. I asked our staff for a complete response to your letter, which they have provided. I believe their report addresses each of your concerns, and provides an accurate overview of the departmental fees and deposits.

I realize that processing a project can be a complex endeavor. I hope this clarifies some of the confusion over the second deposit, and answers other questions you brought up in your letter. I do appreciate you taking the time to write, and I hope you will contact my staff or myself if we can be of help to you in the future.

Sincerely,

Leon L. Williams
