Dear Ms. Fritz:

Thank you for taking the time to bring me up to date on activities in Valley Center. It is indeed gratifying to see the community and the County working so successfully on this sewer project.

I was particularly pleased to hear your positive comments about the work of County staff members and I will be sure to pass those compliments on to them. In times when our employees are working so very hard and under such tremendous pressures, a warm word goes a long way.

Keep up the good work!

Sincerely,

Leon L. Williams
