Dear Mrs. Sherrard:

Thank you for your letter regarding the monuments at Mount Helix and on Mount Soledad. As a member of the County Board of Supervisors, I voted in favor of the motion to investigate the feasibility of transferring the title to the Mount Helix cross and the property immediately at its base to a private, non-profit organization. This type of organization would be able to maintain the monument without violating the recent court ruling on this issue. As you may already know, the Board of Supervisors has no jurisdiction over the the Mount Soledad monument.

I appreciate your taking the time to write concerning your views on this issue. If my staff or I can be of assistance to you in the future, please do not hesitate to contact us.

Sincerely,

Leon L. Williams
