Dear Professor Barrett-Connor:

I am writing on behalf of Ruth Heifetz, a valuable member of your faculty and an ardent supporter of occupational and environmental health.

Dr. Heifetz has been of tremendous assistance to the County of San Diego, and to me personally, in my efforts to educate the public on the dangers of improper toxic waste disposal. She has provided significant input and guidance while serving on many advisory committees for the County, including the Hazardous Materials Advisory Subcommittee of the Health Services Advisory Board, the San Diego Bay Health Risk Study Review Panel, and the Ad Hoc Committee to Control Biomedical Waste Disposal.

I would like to lend my full support for renewing Dr. Heifetz' appointment to the School of Medicine's lecturer series.

Dr. Heifetz is an assett to this community that we can ill afford to lose. Please do not hesitate to contact my office if I can be of any assistance to you in this matter.

Sincerely,

Leon L. Williams
