Dear Mr. & Mrs. Evans:

Thank you for your letter regarding the Sycamore Ridge Mining and Processing Facility, and the North County landfill siting study.

Please be assured that I will take all points of view into consideration when the rock quarry proposal comes before the Board.

In response to your suggestion that the County utilize the facility on the Campo Indian Band reservation, I must call to your attention that their facility is still in the planning stages. It does not now, and may never, exist. In addition, the Board of Supervisors has taken a position against shipping waste away from its area of origin and against privatization in matters pertaining to landfills.

Thank you, again, for expressing your views. If my staff or I may be of assistance to you in the future, please do not hesitate to contact this office.

Sincerely,

Leon L. Williams
