Dear Randy:

Thank you for your recent letter and the copy of your testimony before the Appropriations Committee. I deeply appreciate your efforts on our area's behalf, and I am confident that those efforts will go a long way in helping MTDB obtain the Federal funding needed to continue the Mid-Coast project.

Support such as yours will play a significant role in our future successes. I know we can count on you to remain as staunch an advocate as you have always been.

Sincerely,

Leon L. Williams
