Dear Mr. Cannon:

Thank you for bringing your business enterprise to my attention. I have long been a supporter of recycling and I am always pleased to see new recycling efforts here in our county.

Recycling has been, and will continue to be, a major factor in the on-going efforts to solve solid waste disposal problems across the nation. I wish you the best of luck in your new endeavor.

If my staff or I can be of service to you in the future, please don't hesitate to contact my office.

Sincerely,

Leon L. Williams
