Dear Mr. and Mrs. Schauermann:

Thank you for your letter regarding the Sycamore Ridge quarry proposal. Please be assured that I will take all points of view into consideration when this matter comes before the Board of Supervisors.

You also refer to site #8 in our landfill study. I believe you are referring to the Merriam Mountain site which is site #9 in our study. In regard to the Campo Indian proposal, the Board of Supervisors has taken a position against shipping waste away from its area of origin and against privatization in matters pertaining to landfills.

Again, thank you for expressing your views. If I can be of service to you in the future, please do not hesitate to contact my office.

Sincerely,

Leon L. Williams
