Re: HUMAN RELATIONS COMMISSION AWARDS AND RECOGNITION PROGRAM

Dear Supervisor Williams:

The Human Relations Commission Annual Awards and Recognition Reception will be held on Tuesday, June 5, 1990, 7:00-9:00 p.m., at Great American Bank, 600 "B" Street, downtown San Diego. This year's program will honor six individuals and organizations from the community who have made outstanding contributions to improved human relations in San Diego County.

The Commission would like to invite you, as Chair of the Board of Supervisors, to attend the Awards Reception and to say a few words on behalf of County government. A formal invitation for the event will follow as soon as printing is completed. If for any reason you cannot attend, we would appreciate your passing this request to the Vice-Chair for consideration.

If you would like additional information please contact the Commission office at (750) 2348.

We look forward to having you join us in paying tribute to some of the finest members and organizations of our community.

Thank you for your support of the Human Relations Commission.
