Check one for account  
information delivery:

Pick up (LL-200) -or-

Send by Campus Mail  
Mail Code MC \_\_\_\_\_

Email \_\_\_\_\_

(4 digit)

**Please Note --**

- For information on creating and publishing a Home Page, please see the Guide to Making a Home Page (available at URL - <http://rohan.sdsu.edu/hpguide.html>).
- All Home Pages must follow the SDSU Web Stylebook guidelines.
- Each Student Organization is responsible for administering and maintaining their own Home Page on ROHAN.
- Each Student Organization must notify the ROHAN webmaster of a new Account Contact within 4 weeks of a change in staff or lose the link to their Home Page.

University Regulations require reimbursement for the use of campus computing resources to support funded contracts, grants and other externally funded projects. Such use may NOT be under a NON-FUNDED Account.

I certify that the requested account(s) will be used exclusively for the work specified by the information provided on this form, that the proposed use of the computing services is justified by the programs of the California State University system, and that the work processed by this account is not funded by any contract, grant or other external project. I am aware that any future receipt of funding for this project automatically terminates authorization for the use of computing facilities granted under this application. I understand that unauthorized use of SDSU computing facilities is a violation of California State Law.

Faculty Sponsor Signature \_\_\_\_\_ Date \_\_\_\_\_

**Return form to LL-200.**
