

A Year of Celebration!

Our year of celebration got off to a good start with a Kickoff Event chaired by Bonnie Zimmerman, Associate Vice President of Faculty Affairs and former Chair and Graduate Advisor in the Department of Women's Studies. Featured speaker was Marilyn Boxer, an early Chair of the Department, and Tanya Bakhru and Margaret Slaska, graduates of our MA program and currently active in academia and the community. Our next scheduled event was a colloquium on "War, Displacement and Gendered Violence" with Professor Huma Ahmed Ghosh and Stephanie Chaban, a graduate of Women's Studies MA Program.
