Dear Mom and Dod,
apt on Nov $1921977 \times 9$
It! Greetings to you from the most gongeons place $y$ know of! Sorry for the delay in writing but you know o have been busy as usual and taking care of many different things. I wanted to Erank you for the $\$ 200^{\circ} \mathrm{C}$ and Carolyn said thank you for hers also. Larry also wanted mu to stick in a reword for him to thank you for the financial help. Normally he could be making a lot of neoney in the states but as he says - he would much rather devote his tine to medicine band serving the needs of people here by volumeteeing his time. When you come he can give you both physical exams - he does the most thorough job $\%$ hare ever seen. Anyway the no very will really help a lot in the adaption. of do think of am old enough and cagrable enough to decide whether or not to stick with someone in order to rake an adoption I wouldint cunt it child to be fatherless. I just wanted to let you know this.

O have been busy as usual working with some jungle ruedicine. We have a plant called "Irish Vine" which you can put on ringworm and it works better than quediciur we had that was prescribed for
they really do work well. Noon Die 19 in
Kinio is really getting. big and he really enjoyed the trivthday presents you sent. He is a very talkative and smart little boy. There are some other children here that of ann an auntie to so If ind myself busy with the children also.

We have novices fairly often here. F missed last night's movie - it was a mystery thriller like you like-nioun. We have had Some other good ones too like "Jody sings the Blues." "Andromeda Strain" and as usual vive political ones like "The Parallax View", So, even though of haw never been much of a movie goer I have really enjoyed the movies we have seen here.
$I$ need to get busy now - it is time

- for some chicken I sweet potato with Snéd oriental vegetables - Our vegetables are ont of this world. You will certainly enjoy the place when you cone.

Love from
Annie
