Dear Pat and Becky,

I sent you the crummy card because I knew you wouldn't mind. Also, mom and dad sent your presents without telling me so I didn't get to put mine in for you. So it will be late, I guess. Well,

Merry Christmas to the Sanitary House. Love, Annie

Beth, I would like to take you up on your offer. I'm not sure what I have in my mind yet. Is there a deadline or anything?
