Dear PAT

The enclosed show more about my activities than you want to know.

at state I was a member of the honorary chemistry society Delta Kappa chapter of Lambda Delta Lambda. after graduation from state in 1938 I taught chemistry and one math class there for one year while doing PG work at USC.

The former Jonice Edith Thule' of San Diego and I were married on March 28, 1942. she was a Theta Chi which has now become Delta Alpha Theta. Jonice transferred from state to Berkeley and was in the class of 1940.

We have four children:

Dennis Eugene	4/11/44
Stephen James	8/22/45
Marion Lynn	8/12/48
Rodney David	7/15/49

We travel a lot. last year we joined a zoo sponsored African safari, vacationed for 3 months in Australia to celebrate our 50th wedding anniversary, enjoyed a cruise to Alaska, and made several more minor trips to Stowe, Seattle, Austin, Phoenix, Chicago visiting children and friends in the states. This year we've been to an Amazon cruise, Machu Picchu in Peru, Borneo, Singapore, Bali, a spice island cruise, and Japan — so far! Next month it's A theater, New London, Stowe, Seattle. In September we're taking our daughters to London and Scotland.

We are semi-retired and live in Del Mar. But, I still work part time being chairman of the Board of MDM Engineering Corp and a few other things.

Sincerely
Dennis
