

June 9, 1993

Dear Pat,

This is probably too late for the "50's SDSU report" but will take time to review my "activities" anyway.

Name: Francesjane O'Neill Kapsch

Spouse: Joe Kapsch, (Retired Lt. Col USMC, this tells a bit about the first 20 years of married life)

Address: 13681 Carlsbad Dr., Santa Ana, 92705
Phone: 714-544-1918

Graduation date: 1944.

Work: Second 20 years of married life I worked for the Employment Development Program as an Employment Counselor, a Regional Staff specialist and trainer. I retired from EDD in 1985 but work as needed as a staff trainer--about three times a year, definitely the best of both worlds.

Activities: I am currently an elected member of the Orange County Democratic Central Committee, serve as Finance Chair of that committee and serve as Vice Chair of the 71st Assembly District Committee of the California Democratic Party. I was an alternate delegate for Bill Clinton to the 1992 Democratic Party National Convention in New York City which was one of the most exciting experiences I have had.

More: The 3rd 20 years of married life, in addition to my political activities, Joe and I play a lot of golf locally and at San Vicente Country Club in Ramona, take advantage of our Resort Condominiums International membership to visit various golf resorts and visit our three adult children and six grandchildren who are scattered from Soquel, California to Spokane Washington to St Louis, Missouri.

At home I spend a lot of time in my gardens-flower and vegetable. I am active in Women For: Orange County, a feminist organization which encourages letter writing to legislators on social, environmental, health and women's issues.

If this info sheet is too late, no matter. I'll look forward to reading the "SDSU Report". Days at SDSU include some of the happiest memories I have and I love to read the news from fellow Aztecs.

Pat, I hope that this finds you and yours well and happy.

Sincerely,
FJ
