Dear Pat,

I remember your name from San Diego State days (1944-47). I was a former Delta Chi Phi initiated into Gamma Alpha Chapter of Alpha Xi Delta Fraternity 1949.

I attended Woodbury College in Los Angeles that year, and I graduated majoring in Clothing Construction.

Upon graduation I opened a dress shop and operated it until my marriage to Martin Joseph Weideman in April of 1953.

During our marriage we have resided in Eureka, California, Eugene and Portland, Oregon. We also lived in Seattle, Washington where we became active in politics and in environmental issues.

Presently I am an active member of Beta Sigma Phi International Sorority. I have thrice been awarded Woman of the Year.

We enjoy attending conventions such as Beta Sigma Phi, Toastmasters International and Rotary International. Martin is a Paul Harris Fellow in Rotary.

We also enjoy travel and have cruised to Alaska (Inland Passage). We have visited Mt. Rushmore, and explored the museums of Washington, D.C. and Chicago. We have motored throughout the Pacific Northwest and British Columbia where we now live.

We are environmentalists and are active in a number of ecological organizations. Martin is a professional member of The World Future Society.

In 1986 we retired to Harrison Hot Springs a resort village 2 hours east of Vancouver. In Harrison we have been active in a theatrical society. Martin has written 2 plays that have been produced by the society. I have been active in the Art Council.

I have a step daughter, 3 grandsons, and 2 great-grandsons. One grandson lives in Los Angeles, the others in Wisconsin. We also have a surrogate family in Washington State. A niece who lives in Seattle, and 2 other nieces and a nephew in San Diego.

Thank you Pat for contacting me. I am looking forward to the next issue of SDUS Report.

Sincerely,

Patricia (Dyer) Weideman '47
