Dear Pat,

I've had such a fine time my first year of retirement with the activities I chose and enjoying my family that I'd like to share "me."

I finally retired, June '92, after teaching 29 years in the Lakeside Union School District (elementary level) Almost 2 years in San Diego City Schools "before children." I thought I was having fun.

Being an elected delegate to the California Teachers Association was a great three year learning experience, educational politics. I also spent many years on the Lakeside Teachers Association Board.

Receiving the W.H.O. award (We Honor Ours) as an outstanding educator in the San Diego Council was impressive to me.

I have spent many hours this year volunteering in elementary classrooms sharing literature (Beatrix Potter) art and music.

As third vice-president of the San Diego Women's University Club I've been busy and met

keep thinking of more things.

I'm proud that I was tapped for Caps + Gown (Mortorboard) in College and meet friends at annual Mortorboard luncheons.

many lovely women.

I am president of my Delta Kappa Gamma Chapter again meeting ~~many~~ fine new people.

Spending many years as an active alpha Phi alum helped me keep in touch with Phi Kappa Gamma friends of "the ~~forties~~. forties" (even that I wasn't sure I was correct)

Renewing Hoover acquaintances by being on the committee for the 50th re-union has been fun. "Is that really you?!" seems to be the question of the hour.

I feel fortunate to be the mother of three fine children; Penni, Brad and Pam. Granny to Pam's Hillary, Kyle + Casey (twins) and Penni's Jeff, Jason + Jake.

& grandchildren's names are not appropriate, Granny to six ~~kids~~. "fun" children is OK.

so lucky

My daughter, Pamela, and I were ~~fortunate~~ able to travel the British Isles in July of '92. We stayed in some hotels, "did" B+B's and used British rail passes to cover many miles and really enjoy the sights and the sheeps.

All in all, after many working years, retirement is great!!

Thanks for your effort, Pat!

Take care, Jeanne
