Dear Helen:

Here's our response to your flyer on SDSU Pre-50s edition, and by the way we noticed in SDHiSchool Newsletter that '34 is having its 60th anniversary reunion...an important milestone, and we hope it's the huge success that yours always are.

Here's our message for the Pre-50s:

REAR ADMIRAL JOE HOWARD '39 has been elected for a second term as President of the San Diego Historical Society, and his wife ROSE ELLEN (Bush) '39 was in charge of recruiting volunteers for the 1994 Designers Showcase, a month-long open house sponsored jointly by the Historical Society and the local chapter of the American Society of Interior Designers. This year it was the 8000 square foot mansion once owned by Carol Smith Shannon, daughter of C. Arnholt Smith, on a 25 acre estate in Rancho Santa Fe. ROSE ELLEN recruited over 700 volunteers from all over the county for this affair, and she and JOE now feel ready for their long-planned month-long motor trip up the picturesque coastal highway through California, Oregon, and Washington, with a visit to Victoria, British Columbia. Last Spring they took the riverboat Delta Queen ride up the Mississippi to Natchez where ROSE ELLEN lived for over 20 years before returning to San Diego. They entertained many of her Natchez friends at a luncheon party in an antebellum manor house, and then spent a fun-filled week in New Orleans.
