Dear Tedd:

I hope you are feeling better and if not that, at least feeling the love of your many former students and your NFL Hall of Fame brethren.

Enclosed is this year's tournament program, which, as you will see on page 2, is dedicated to you, NFL's all time point leading coach.

You were always a great motivator, excellent teacher-coach, and classy guy!

We spoke briefly about a permanent Tedd D. Woods Memorial in NFL as we have for Phyllis Barton and H. B. Mitchell.

My thoughts for such a memorial might be:

The Tedd D. Woods National Impromptu Speaking Championship.

(A \$10,000 gift would endow trophies and a small scholarship).

The Tedd D. Woods Outstanding Chapter Award.

(A \$5,000 gift would endow a permanent plaque to be presented each year to the nation's largest chapter).

The Tedd D. Woods National Student Congress Trophy.

(A \$25,000 gift would endow what we currently call the Karl E. Mundt Trophy).

Your interest in congress, your leadership of the largest NFL chapter and your interest in a major California event, Impromptu, brought these ideas to mind.

Perhaps you have another idea for a memorial event, award, or grant. If so, please write or call (1-800-635-1813).

Please remember you are in our prayers.

Your brother in
Hall of Fame.
