HENRY W. WOODS '36

Dear Lee:

The most amazing event of my recent life took place on Jan 20, 1995. Henry Woods and I were married on that date. Ours was a whirl-wind courtship, but as we explained to our questioning children, we had known each other for over 60 years (we dated when I was in high-school).

Henry is an ardent golfer and an expert bridge player. I am not a golfer, but I am trying to update my bridge playing. When I used to play, you had to have 2½ to open and 1½ to raise. Those were Culbertson's rules.

I have three sons, all living in this area. My two little grandchildren, ages 3 and 4, are 4th-generation San Diegans. Henry has two daughters, one living in Potrero, CA and the other in Oakland, CA.

I was a member of Alpha Xi at SDSC and Skull and Dagger. Henry joined PI DELTA KOPPA, a non-academic fraternity.

We look foward to seeing our class-mates at the Pre-50's reunion on October 21st.
