Sea World (Mr. Don Hall)

The Evans Hotels (Mr. Robert Gleason)

Without the help of everyone at the Old Globe Theatre (from attic to basement and all storerooms in between) the frustrations and tears and the triumphs and laughs would have been impossible. It is the constant expression of this spirit that Craig Noel has inspired in each of us.

My thanks,

A handwritten signature in dark ink, appearing to read "Craig Noel", written in a cursive style.
