## We are the world

There comes a time  
When we need a certain call  
When the world must come together as one  
There are people dying  
(and) it's time we understand that  
life's the greatest gift of all

We can't go on  
pretending day by day  
That someone, somewhere  
will soon make a change  
We are all a part of  
God's great big family  
and the truth, you know love  
is all we need.

We are the world  
We are the children  
We are the ones  
To make a brighter day  
So let's start giving  
There's a choice we're making  
We're saving our own lives it's true  
We make a better day  
Just you and me

Send them your heart  
So they know that someone cares  
and their lives will be stronger and free.  
As God has shown us  
By turning stone to bread  
So we all must lend a helping hand

We are the world  
We are the children  
We are the ones  
To make a brighter day  
So let's start giving  
There's a choice we're making  
We're saving our own lives it's true  
We make a better day  
Just you and me

When you're down and out  
There seems no hope at all  
But if you just believe  
There's no way we can fall  
Let us realize that a change  
Will only come when we  
stand together as one

We are the world  
We are the children  
We are the ones  
to make a brighter day  
So let's start giving  
There's a choice we're making  
We're saving our own lives  
It's true we make a better day  
just you and me.

We are the world  
We are the children  
We are the ones  
to make a brighter day  
So let's start giving  
There's a choice we're making  
We're saving our own lives  
It's true we make a better day  
just you and me.

We are the world  
We are the children  
We are the ones  
to make a brighter day  
So let's start giving  
There's a choice we're making  
We're saving our own lives  
It's true we make a better day  
just you and me.
