## Articles

a) I wrote a letter to the Voice Newspaper, this city re the middle east problem approx 2 years ago.

I don't have a copy of said article.

There was never a comment about the article after it appeared in said paper.

I heard at a later date that the article was reprinted in a Jewish weekly.

The article favored the stand of the Jews re the Left Bank.

b) I have not wrote any other articles which have been printed.
