# Freshman Leadership Series 2008 Enrollment Form:

With your participation in the Freshman Leadership Series (FLS), you have taken the first step in committing to you leadership development here at San Diego State University. You are about to engage in a fun semester that is packed with activities that will allow you to interact with other new students and staff, explore various leadership topics, and get to know more about the involvement opportunities on campus.

Starting, **September 9, 2008**, the FLS will meet every **Tuesday from 2:00-3:30 PM**. Students involved in the program meet weekly during the Fall semester to participate in leadership workshops, community service projects, SDSU campus events, and many fun leadership development activities! Each program participant will have the opportunity to work with current SDSU student leaders and faculty members, and receive a program t-shirt.

Challenge yourself and stretch your leadership muscles by participating in our fun leadership development workshops and team building activities.

- ❖ Make a difference in the community! Each FLS student will participate in various community service activities.
- ❖ Network with SDSU Faculty, Staff, and Student Leaders throughout the semester by participating in workshops, organization mixers, and other exciting programs.

Want to get involved? Just print out this page and complete the form, and send it to the address below. If you have any questions, call 619-594-7059 or email [jbudomo@mail.sdsu.edu](mailto:jbudomo@mail.sdsu.edu).
