

INFORMATION ON ACCOMMODATION

HSE Mikkeli Business Campus BScBA Program offers the following accommodation options during the summer 2007:

HSE co-operates with the Mikkeli District Student Housing (MOAS). Below you can find details about renting apartments from MOAS. If you want to reserve the accommodation from MOAS, please fill in the [application form](#) and send it to Ms. Annamari Vahvaselka via e-mail.

- Please indicate the exact dates you wish to book housing for. From "January to July" means both months included.
- The student has to pay the rent for the entire month.
- The rental agreement begins always only on 1st or 16th day of the month. The beginning date of your rental agreement is the previous closest date (1st or 16th) to your arrival. (Example: You arrive on August 30th, your rental agreement begins already on August 16th!)
- When you leave earlier, you should inform MOAS at least month before. The length of notice is one month and it starts from the beginning of the following month (Example: If you inform that you leave in Mid-December on November 30, the agreement is until the end on December, but if you do that on December 2, the renting agreement is until the end of January AND if you leave in the middle of the month (December 15), you should inform MOAS by the end of October.)
- In shared apartments, all students have an individual bedroom but they share the kitchen and bathroom.
- You have to pay a security deposit, which is 200 euros for shared apartments and 300 euros for single apartments. If the apartment is in a similar condition than on your arrival, you will get the deposit back after you move out and return the keys.
- The rent will be
 - 249,10 euros for shared apartment
 - 313,50 euros for single apartment

However, there may be some variation in the rents due to different locations.

- You will get the key to your apartment from your tutor on the day of your arrival.
- The housing is provided by Mikkeli District Student Housing Ltd. In order to find more information, visit their websites at www.moas.fi.
