## Wedding Checklist

Flowers are a big part of wedding celebrations, and many times brides aren't sure of what type of flowers are needed for their wedding.

We have put together a general checklist of flowers and arrangements that might be needed for your big day. This checklist is not meant to be all-inclusive; it is meant as a guideline only. Depending on your wedding budget and style of wedding you are having, you may need only a few items on this list or a vast majority. Please feel free to print out this list to use for your convenience.
