**Graduate Equity Fellowship Program ~~2011/2012~~ 2012/2013**

Graduate Equity Fellowship grants range from \$500 to \$2,000 per year. This program seeks to increase the diversity of students completing graduate degree programs in the CSU, encourages continuation toward doctoral programs, and promotes consideration of university faculty careers. It provides fellowships for economically disadvantaged CSU students who have had success in overcoming educational disadvantages. Students may receive awards for a maximum of two years, dependent on demonstrated need and academic progress, but must apply each year. To apply for a Graduate Equity Fellowship, you must:

- Be a legal California resident;
- Be attending a master's program as a classified or conditionally classified student;
- Complete a Free Application for Federal Student Aid (FAFSA);
- Have financial need of at least \$1,000;
- Enroll in a minimum of 6 units per semester applicable to the master's degree; and
- Demonstrate potential to succeed in graduate school and to complete a master's degree program in no more than two years as evidenced by coursework and letters of recommendation.
- Submit an application prior to the add/drop deadline for the fall semester

Interested students should download and complete the application form listed below or obtain one in the Graduate Division office and a Free Application for Federal Student Aid (FAFSA) form, obtained in the Financial Aid office. Both applications must be submitted by the fall add/drop deadline of each year.
