

# Exam 1 Quiz Results – Fall 2015

## Recommendations: Based on Exam 1 Scores

- **Statistics** showed past Math 124 **performance on Exam 1** had an **80%** predictive ability of **Final grade**
- **Green** shows a good performance, and **Blue** indicates you are in the correct class
- **Yellow** indicates serious deficiencies in **Algebra** and **Trigonometry**
  - Definitely need **serious help** (probably should be in Math 141)
  - Consider taking **ALEKS** online skills preparation
  - Attend Office hours for **lecture material** help
  - Use **Math Learning Center** in the Library or **EOP Center**
  - Obtain personal tutoring
- **Red** shows this class is currently above your skill set
  - Definitely need **Math 141** (or even GMS 91)
  - Need **ALEKS** online skills preparation
  - **This course** at this stage is effectively a **foreign language** to you, so **basic skills** must be developed
