

Deakin (Australia) Semester Classes for Liberal Studies, Spring 2013

The classes **in green** below are the ones that will most likely be available at Deakin University in Australia during the Spring 2013 semester. Students who are interested in this program should *not* take classes to clear these requirements during the Spring 2012 or Fall 2012 semesters and should, instead, save them for the Spring 2013 semester.
