HIST 411 Petition Form for Liberal Studies

Name: ___________________________ Red ID: ___________________________

Major catalog year (see upper right corner of degree evaluation): ___________________________

Specialization (2010/earlier catalog) or Focus (2011/later catalog): ___________________________

Anticipated graduation date: ___________________________

Briefly state your conflict with the day/time of the HIST 411 offering:

HIST 411 not only satisfies a content requirement in the Liberal Studies major, but also satisfies multiple areas of SDSU’s General Education pattern. Because of this, we are limited in what alternative classes we can use in place of HIST 411, and those options will vary from semester to semester, depending on what classes are being offered. Below we have listed the possible alternatives as described in the SDSU catalog. These are the only possibilities. Check the schedule for course offerings in any specific semester.

Place a check mark (√) next to the alternative course you would like to petition to take.

_____ AMIND 440: American Indian History

_____ CCS 350A: Chicana/Chicano History – Early

_____ CCS 350B: Chicana/Chicano History – Late

_____ HIST 421: Asia’s Emerging Nations [same as Asian Studies 421]

Submit this form, along with the attached RAAR (complete only the top part of the RAAR), to the Liberal Studies office. You will be notified within a few days of the status of your petition. If your petition is approved, your RAAR will be submitted to the University after census date, provided you are enrolled in the class you checked above.

For Liberal Studies use only
