Change of Major forms require approval of the change by the new major department. After approval, return the form to the Registrar's Office. You will be required to meet major and minor requirements stated in the General Catalog that are in effect when you submit your change or declaration.

- NEW PREMAJOR** - to declare a new premajor leading to an impacted major
- EVALUATE PREMAJOR IMPACTION CRITERIA**- take a copy of this evaluation to the department for approval to declare the upper division major
- CHANGE FROM PREMAJOR TO MAJOR** - check for approval to change from premajor to major
- NEW MAJOR** - to declare a new major that is not impacted

IMPACTED MAJORS have specific requirements for admission. If you apply to an impacted major, you will be a **PREMAJOR** until the criteria for admission to the major are met. When you have completed all premajor requirements, use this form to request a premajor evaluation of impaction criteria. Take your evaluation to the adviser in your major department for approval to change to the upper division major. For more information about impacted major requirements, refer to the General Catalog or visit www.sdsu.edu/impactedmajors.
