

Dear Grandma & Grampa,

How you doing? we're
doing real well & are very happy
at our new home.

We have many streams,
trees, beautiful plants, &
wild flowers growing all
around are area plus the
different crops we planted.

I work with agricul-
tural, in the baby nurseries
& attend school. The courses
I'm taking are Geometry,
Social Studies, English, &
First Aid & Health (taught
by mom)

David is going to
school & working in our
pigery.

Are meals are delicious
especially dinner. Just a

few of our regular dishes
our fried & barbecued chic-
ken, pork chops, barbecued
ribs, & lasagne. (surupish)

With much love,
