

Training Bible Study

1. Do a word study on “training.” Use Greek translation tools.

2. Study various training relationships in the Bible including Moses/Joshua, Elijah/Elisha, Paul/Timothy, Christ/disciples.
 - a) What was the purpose of training? (results or product)
 - b) What was involved in the process of training (how to)?
 - c) What was the content of training?

3. List Biblical words which tell something a trainer does. Study each word. (encourage, exhort, ...)

4. Study the “with him” principle in the gospels.

5. Study the list of spiritual gifts and determine those related to training. Explain.
