

## MAPS AND PARKING FOR SHOW ME GEOLOGY

### ARRIVING BY BUS

Most groups come to Show Me Geology by bus which will drop you off at COX ARENA. Someone from the program will meet you there to escort you across campus to the front of the Geology, Math and Computational Sciences (GMCS) building where your visit will start. We like to have cell phone contact with someone in your group the morning of your visit to facilitate logistics. If you have problems or questions the morning of your visit call the Geological Sciences Department office at 619 594-5586.

### ARRIVING BY CAR

Some groups car pool with parents and teachers. Visitor parking is in Parking Structure 6 on the east side of the university, located off Montezuma Road and East Campus Drive (map). The cost to park is \$1 per hour. Parking Structure 6 has permit dispenser machines on levels 1, 2, and 3. It's a 5-10 minute walk to GMCS from the structure. Take one of the pedestrian bridges across College Ave onto campus and proceed north on Campus Circle Drive until you arrive at the main entrance of the GMCS building.

### ARRIVING BY TROLLEY

Trolley service on the MTS Green Line connects with the SDSU Transit Center. This is a good option for many schools. Someone from the program will meet you at the trolley stop to escort you across campus to the front of the Geology, Math and Computational Sciences (GMCS) building where your visit will start.
