

Vision Statement

Shared Vision Business Advising Center

The Business Advising Center engages in a retreat each year to establish/revise our shared values. This enables staff and student advisors to create a Shared Vision of the BAC. The Shared Vision highlights the following guiding principles:

- Provide accurate and friendly services with an Open Door Policy
- Facilitate academic success
- Model professional, courteous and ethical behavior
- Collaborate effectively and efficiently
- Promote responsibility and accountability
- Support life-long learning
- Create and maintain positive partnerships
- Make effective referrals
- Reflect the shared vision of the university and the college
- Embrace diversity
- Promote global leadership
- Foster Leadership Development
- Initiate community service

The following Shared Values support our guiding principles:

Accountability	Leadership	Student Centered
Compassion	Learning	Teamwork
Dedication	Patience	Tolerance
Diversity	Positive Attitude	Trust
Integrity	Respect
