

Vision Statement

Shared Vision Business Advising Center

The Business Advising Center engages in a retreat each year to establish/revise our shared values. This discussion enables staff and student advisors to create a Shared Vision of the BAC. The Shared Vision highlights the following guiding principles:

- Provide accurate and friendly services with an Open Door Policy
- Encourage academic success
- Model professional, courteous and ethical behavior
- Collaborate effectively and efficiently
- Empower responsibility and accountability for learning
- Support life-long learning
- Create advising partnerships with students
- Make effective referrals
- Reflect the shared vision of the university and the college
- Embrace diversity and promote global leadership

Our approach to doing business is based on the following Shared Values:

Accountability	Leadership	Patience
Diversity	Learning	Positive Attitude
Empathy	Open Communication	Respect
Integrity	Open Door Policy	Student Centered
Knowledge	Passion	Teamwork
