

Dear Grandma,

I'm glad that you had fun on your birthday. It sounds like you had a good time. I'm glad you liked the scarf and card too. I thought that I kind of wrecked the card up because I did kind of a messy job, but I decided to send it anyway.

Right now I have been packing boxes around here and trying to be the best help I can be while we are moving. I'm going to help mom and dad move to Berkeley, then after I help them settle there I am going to move up to Redwood Valley and live with Carolyn for a while. Hopefully I'll be able to find some kind of

Paying job but if I can't, Carolyn's church can put me to work somewhere. They own four senior citizens homes, a convalescent hospital, home for children and some other stuff so I could work in one of these places. Then after that I was planning to go to Santa Rosa Junior College and live in a dorm that Carolyn's church owns there. I might try out their 2 year nursing program, but don't worry, I'm not giving up my art and music. I just thought it would be good if I went into nursing. More practical I guess.

So that's what I'm doing. I have to write more letters now. We'll be in Berkeley on or near Oct.

16.

Love,
Annie
