

DEAR MION AND WIL,

Hi! I received your letter yesterday. It was good to hear from you. This is the "bush" here. It looks much more beautiful than this. I am busy as usual. You should get a record of the "Steel Drums" of the Carribean and you can see what we get to listen to in person much of the time. They are great. I don't know how soon I will be back but I will keep

on writing. Larry is planning to come some time in the future. Love, Annie
news baby is so adorable.
