Tuesday -

Dear Ann,

How do you like this new stationery? The picture is a symbol. The symbol is of a ship sailing on the ocean. The ship is the church of Jesus Christ. The cross is the mast of the ship. The cross tells us that the ship is the Christian Church. The water is the sea of history. We have a book at home that tells us about other symbols.

Guess what I saw on the mountains Sunday? Snow! We did not drive up to the mountains, but thousands of people did. Some brought snow home in the trunks of their cars. There are many trees in blossom here, but contractors are tearing out orchards to build new houses.

The Swedenburgs have a boy just your age. I think he would like to race and jump with you.

Be helpful to mother. Love, Daddy
