Dear Ann,

Becky and I are getting all packed up for our trip to Southern Calif. We're preparing for very hot weather in Bakersfield.

Last night when we took Carolyn to Davis Becky swam (in one of Carolyn's suits) in the pool. Melinda and Carolyn fixed us a wonderful supper and we didn't get home until 9:00 P.M.

Your camp site there looked fine and we know you're having a great time meeting new friends.

Love,  
mother and Dad
