Columbus Day

Dear Annie E.,

How are you and the house work going? Great sport, isn't it! Also, I'm glad you're learning to be neat and careful at the ironing -  and as most men like their shirts and handkerchiefs wrinkle-free. It's all good experience, dear.

Don't neglect your homework, will you.

Grandma is doing well for 75 and looks good. It will take time for her to regain her strength. I'm going to clean her apartment just before she comes home. Not difficult, as it is quite clean and there's just one person to make a mess.

TV down here is much better than

in Davis. About 8 channels and loads
of movies. Robert Young and I spent
a week together here via his old
movies. Very relaxing when one is
tired.

Love ya and miss you,
Mother

P.S. Do you have time to make a
colorful picture for grandma? She
likes pinks and purples.
