Oct. 15

Hello sweetiepie,

I hope all goes well with you and that the art show was a great success and a fun day besides. Also, I hope the math test went well.

How is your latest technique at the stove? Know any new recipies?

Becky is learning new and exotic ways of preparing food from her friends at English House. Carolyn learned from her apart. friends too. Well, that's a fresh idea. Go to college - and learn how to cook.

Grandma enjoyed your letter immensely. She has stacks of cards and many ~~find~~ and loyal friends.

I miss you and dad. Wish I could be there to participate in the Peace Vigil.

Much love,  
mother
