

Folder 7

Federal Government: Navy—Coronado Amphib. Base
1958

A collection of letters & postal cards from constituents and Wilson's replies. All of these appear to be opposed to this RIF at the Amphibious Base. This folder also contains one page from the *Congressional Record* for August 15, 1958 – "The Importance of Civilian Specialists to the Navy A Speech by Congressman Bob Wilson of California" in response to H. R. 11094 ("the anti-military workshop bill"). Wilson's topics were: Policy Includes Private Industry, The Navy Position, Overhaul and Repair Departments Strategically Located, Direct Fleet Support Mission, Shore Duty Essential, and Civilian Talents Important.
