Public Relations: Cruises

1965

One stapled packet containing five letters (Feb.-Mar.) re/ problems with Navy cruises. Wilson explains to Nate Rosenberg about having enough space and cruises for fulfilling these "businessman's cruise plans." Groups and individuals await opportunity. "In the last half of 1964, we had only one cruise. In the first half of 1965, we have had only one cruise with three vacancies, and another with two vacancies."
