Dear Darleen,

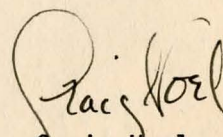

For Teatro Meta, July 18 will long be remembered as the night a dream of many years came true. You are to be congratulated for making this event possible, and for the tremendous success we enjoyed. This marks the beginning of a wonderful new period of cultural programming for San Diego, and one which embraces the artists and the community they serve in a unique way.

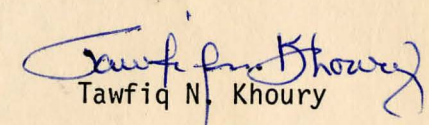

Enclosed please find your CIRCULO de ORO Membership Card, identifying you as a Charter Member in this prestigious group of art patrons. We are pleased to announce that on Opening Night of the first Teatro Meta production in October at the Cassius Carter Centre Stage, you will be invited to a champagne reception at which time the CIRCULO de ORO plaque bearing your name will be unveiled in the lobby of the Old Globe Theatre. Your complimentary tickets for the production will be mailed in September.

We know you share our enthusiasm and joy at the accomplishment which has been made, and that as time goes by you will grow ever closer to the Teatro Meta family.

Sinceramente,

  
Arthur E. Madrid
