THE ISSUE IS EFFECTIVE LEADERSHIP

Jail Overcrowding And Escaping Prisoners Threaten the Security of Our Neighborhoods.

The incumbent has had eight years to end jail overcrowding and failed. **Willie Blair** will ensure that our criminal justice system is properly funded and make our neighborhoods safer.

San Diego County Is Facing Bankruptcy!

The county ranks 57th out of 58 counties statewide, at the bottom, in recovering our tax revenues. The county doesn't have money to pay employees a decent wage or even combat a measles outbreak because Sacramento has no respect for our current leadership. **Willie Blair** will fight to get San Diego our fair share.

Working Men and Women Support Willie Blair's Leadership.
