

Feel better already Becky OK?

Don't ever go away because we all love you and running away doesn't solve anything. Maybe it does, but don't go anyway because you mean a lot to me and i hope i mean a lot to you. i think i might have a nervous breakdown now. Everything's going wrong. Bob Day died, too. Get better now. This note may not make you better but i hope it does. Life is kind of a farce ain't it? Get well. i love you.

Love  
Annie
